

YALUMBA

FDR1A 1974

In 1974, Yalumba created an outstanding Cabernet & Shiraz blend known simply as FDR1A. The wine soon became a legend in winemaking circles, appreciated both for its fruit expression and restrained power. Vintage 2000 Fine Dry Red 1A is a continuing example of Yalumba's commitment to, and mastery of, the quintessential Australian red wine that is Cabernet and Shiraz. Aged in French Oak barrels hand-made in our own cooperage, FDR1A is a testament to winemaking craftsmanship.
